## SIGNATURE FEATURES

### FRONT CONTROL DESIGN

Effortlessly upgrade your back-control range to built-in style. This range will easily replace traditional 30" freestanding ranges.

### PERFECT TASTE™ DUAL CONVECTION

### PERFECT TASTE™ TEMP PROBE

The Perfect Taste™ Temp Probe lets you cook each dish to perfection. It does more than measure temperature — it alerts you when food has reached the desired temperature and automatically adjusts to the Keep Warm setting, so you never overcook your food and deliver perfect results every time.
